Dr. R.A.Falconer,

President, University of Toronto,

Toronto, Ont.

Dear Sir;-

I have your letter of the 11th inst., in the absence of Mr. Hardy, who has been spending the Winter in the South.

As Mr. Hardy is leaving California on the 19th inst., it would be of no use to forward your letter to him. I will, therefore, immediately upon his return, about the 26th inst., place your letter before him, which I trust will be satisfactory to you.

Yours very truly,

A M. Splan

Secretary.

A. C. Hardy, Esq.,

Brockville, Ont.

Dear Mr. Hardy:

I wish to thank you very heartily for your letter which arrived this morning, and to know that you and Mrs. Hardy approve of my suggestion that $15,000 of the amount that is still left from your generous subscription for the work of the University Base Hospital may be devoted to the work of the University Base Hospital Supply Association. I am sure that it will be well spent, and in case of any special energency for the Base Hospital we shall still have a certain amount of money on hand for it, and the Women's Auxiliary can at once throw a large effort to meet whatever necessity might emerge.

You will be glad to know that our University Hospital continues to receive the very highest encomiums. General Fotheringha who has just returned to take charge of medical work in Canada had lunch with me on Wednesday and he told me that there is only one opinion as to the efficiency and work done by our Hospital. I am sure both Mrs. Hardy and yourself will be gratified at this.

You will be glad to know also that the Hospital is being brought back to England so that they will not be required to undergo a second summer in the East. With kind regards, I am,

Yours sincerely,

President.
